INSTRUCTION FOR POSTER PRESENTATION

Please observe the following rules to create a poster presentation:

1. Poster dimensions are 70 cm wide and 100 cm height. All margins are 3 cm.
2. In the first line, starting at a distance of 3 cm (top margin) from the top of the poster, write the title of the conference (font - Arial 50, bold) middle alignment:

**SEVENTH INTERNATIONAL CONFERENCE
SUSTAINABLE FOOD AND POSTHARVEST TECHNOLOGIES - INOPTEP 2021
VRSAC, SERBIA, April 18th – 23th, 2021**

3. The next line on the poster is a total height of 15 cm: Title of posters (the name of scientific research), and below that the author's name, affiliation(s) and address(es)
4. Other scientific information;
5. The language of the poster is English.

IMPORTANT!

Due to the hybrid nature of the conference, participation verification is specific (see participation verification information).

To verify participation, ALL POSTERS must be submitted to the conference organizers 7 days before the start of the conference in pdf format. Posters are delivered to the address: kulic@uns.ac.rs

It is your obligation to prepare a brief information about the poster (up to 2 minutes), which you orally communicate to the audience (directly or online) within the time provided for your poster presentation. You are then available for answers to questions, if any. All together it cannot last longer than 5 min per poster.
